Head to [dc.org.au](https://dc.org.au) for the full conference program.

Discipleship is missional; it transfers people into God's Kingdom and transforms lives inside out. It is Jesus' mission for us and it must be our passion. At DC2023, our speakers will share biblical insights, and equip you with practical tools in their workshops to help you be an effective disciple-maker. Each session also has a live Q&A. Join us at this year's conference and let God envision and equip you to live missionally to lead your world back to Him!

### Mentoring Jesus' Way

Mentoring is essential for producing spiritually healthy and high-quality disciples. What better way to learn mentorship than to learn from Jesus Himself, who intentionally prioritised mentoring His disciples over speaking to crowds. In this session, Ps Peter will bring us on a journey to glean from Jesus' spiritual mentoring and how it is a key element in God's plan to bring His Kingdom to earth. He will also help us learn the importance of reading the words of the Bible in their original Jewish context.

Crossway Baptist Church

### Building a Discipling Culture

In this session, we will look at the process and initiatives Dale and his team use to work with churches of various denominations nationwide to equip the broader body of Christ beyond denominational boundaries. Discover how Jesus made disciples as the Master Disciple and how to measure discipleship impact. Ps Dale will teach us how to look beyond the program to actual impact, and consider how to deal with the complexity of the discipleship journey so that we can disciple others to take simple but profound steps in their journey with Jesus.

### Living Missionally In & With My Family

God promised Abraham in Genesis 12:3, "in you all the families of the earth shall be blessed," and then said in Genesis 18:19 "he (Abraham) will direct his sons and their families to keep the way of the Lord by doing what is right and just. Then I will do for Abraham all that I have promised." Discipleship in the family is the key to seeing God's Missional Covenant fulfilled in our time and the nations. Hear insights on building a God-centered family and be empowered to believe God can work powerfully in and through you.
